One hall, many faces, many possibilities - StadtHalle Rostock

The StadtHalle Rostock is a recognised venue for shows, concerts, conferences, congresses, receptions, balls, social highlights, sporting events, exhibitions, ice revues, horse shows and television productions.

The StadtHalle Rostock is an integral stop for many international concert agencies. Between Hamburg and Berlin, it is considered the first choice by many. From horse gala to ice revues, from entertainers to symphonic orchestras, from local hero to global player, be it Broadway or Hollywood, everything can be put in the spotlight at the StadtHalle Rostock. Even major TV stations produce their entertainment broadcasts regularly with us.
